HI-SOUND DESIGN

**KEY PART OF OUR DNA RESULT OF OUR EXPERIENCE IN THE HI-FI WORLD:
THE SUPREME LINE.**

From the core of our Team, the Supreme Line combines tradition and innovation with elegance and superior performance: a unique acoustic concept with a stylish, but high-impact design.

Its aesthetics stem from precise acoustic needs and it is far from merely decorative research, focusing rather on accurate music playback in total synergy with the vehicle interior.

SUPERIOR TO ANY OTHER SOLUTION IN TERMS OF SLEEKNESS, PRECISION AND POWER WITHIN THE CAR.
