COMPACT -> Base 36x14 cm

PROTECTED -> with protective lid for transport

SIMPLE -> the only part to position is the crowner

AROMATHERAPY

WITH PURE ESSENTIAL OILS

Regain a sense of well-being
thanks to the aromatic properties of the extracts.

NATURAL PERFUME

WITHOUT ALCOHOL OR SOLVENTS

Natural fragrances for a soft and
cosy sensory experience.

ECO-TECHNOLOGY

PATENTED IN ITALY

The core of the capsule is made of the innovative naturally derived, fire-proof and 100% biodegradable support.

This new technology makes it possible to develop fragrances made exclusively with pure essential oils without the use of alcohol or solvents.

MADE IN ITALY

PATENTED PERFUME CAPSULES

The skilful art of perfumery
meets the inventiveness of Italian
technological research: a true innovation
in the world of automotive fragrance.

Refined fragrances made from
pure essences for greater travelling
comfort and a unique style.

DIFFUSER

REFILLABLE WITH AirEssence CAPSULES

Perfect for small spaces
such as the passenger compartment.

Plug&play application.

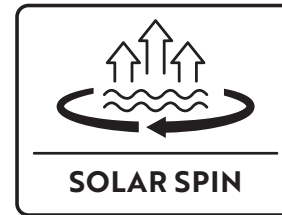

Try all AirEssence fragrances
with the practical capsules
gradual release for 40 days.

SOLAR ENERGY

AUTOMATIC SPIN

Spinning sunlight releases
an enveloping fragrant note
in the passenger compartment.

AirEssence technology
gives you a gradual release
never excessive to give you
a pleasant feeling of comfort.
